A special we are putting out for a leader and which is especially good for children's school wear, is a Brook Mink Scarf, and costs but a little more than the brown and black coney ones, which have no service at all. The brook mink is as serviceable as any Fur you can buy, and is an extra good looking Scarf, that will not crack. The price is \$1.49 each.

Canned Goods!

Just a Word About Them!

We are always looking for the best of everything because we believe that the best is the cheapest. Take Tomatoes, for instance. Did you ever think that it was better to buy a fifteen cent can of Tomatoes, divide it into three equal parts, add three ounces of water to each part and get a nicer Tomato and the same amount as when you buy three cans of slop for 25 cents? The same holds true on other Canned Goods. About a year ago we placed a large order for the Lawson Pink Canned Goods. These are a higher grade of Canned Goods than have ever been sold in this town—in fact some of the other drummers thought that we were crazy when we told them that we had placed an order for a carload of Lawson Pink Canned Goods. But we think that nothing is too good for the people of Barre. These goods we bought before the rise and we give you the benefit of the purchase, so that they will cost you but a trifle more than the cheaper goods. In fact the prices we are making are about 25 per cent less than what they are usually sold for in the large cities. Every can guaranteed. Ask for the Lawson Pink Canned Goods. They are the best on the market.

F. D. LADD COMPANY.
